Dear Parent of _____,

At the time of enrollment, you completed a Home Language Survey. This survey indicated that your child spoke a language other than English or that another language was spoken in the home. Based on state and federal guidelines, an English language proficiency test must be administered to determine the child's level of English proficiency. The state of North Carolina has adopted the Idea Proficiency Test (IPT) to be administered at initial enrollment and to be re-administered annually until the child tests fluent in English.

Please complete if you do not want your child to be administered the IPT.

I refuse to allow my child, _____, who is in the _____ (grade) at _____ (Name of School) to be administered the Idea Language Proficiency test (IPT) for the _____ school year. I understand that by refusing to allow my child to be tested, _____ (Child's name) is neither eligible for modifications on state testing nor is he/she eligible for the North Carolina Checklist of Academic Standards (NCCLAS) for the ESL Program.

I understand that if I should change my mind, I will contact the school at () _____ or the International Newcomer Center at (828) 302-0095.
