Directions

Crush well one whole package of Oreo cookies. Set aside. In a separate bowl mix 3 cups of milk and 1 box of pudding (either vanilla or chocolate), and in another bowl mix 3 cups of the other pudding. Set bowl in refrigerator for 5 minutes. Once the pudding is ready you may begin making your dirt. In a cup place a small amount of crushed Oreo in the bottom of the cup. Next place a spoonful of vanilla pudding on top. Add another layer of Oreos, and place a spoonful of chocolate pudding on top of that. Add another layer of Oreo cookies. Then put a spoonful of Cool Whip on top, and then another layer of Oreo cookies on the very top. Finally you will add 3 Gummy Worms on top and enjoy your dessert.
